

Classroom Safety Rules

1. No running or horseplay in the classroom.
2. Report any burning odor to the teacher.
3. Report any malfunctioning equipment to the teacher.
4. Report any spills on the floor or near equipment.
5. Do not attempt to repair any equipment yourself—notify the instructor.
6. Do not attempt to lift any heavy objects—call for assistance.
7. Watch out for cables and electrical cords in the classroom.
8. Do not overload outlets or extension cords.
9. Report any frayed or damaged electrical cords in the classroom.
10. Be careful that jewelry, scarves, hair, or neckties do not get caught in the equipment.
